## FOSTER GRANDPARENTS PROGRAM

## SENIOR RESOURCES OF GUILFORD

The Foster Grandparents Program of Senior Resources of Guilford matches income-eligible seniors with children and youth. The seniors serve as role models and mentors for the children. They help children learn to read, provide one-on-one tutoring, and guidance, while offering the kind of comfort and love that sets a child on the path toward a successful future. The proceeds from the annual golf tournament are used to provide the foster grandparents with transportation, meals, and a stipend.

Program funded in part by:
